

PUBLIC NOTICE

Due to the COVID-19 (Coronavirus) pandemic, Governor Tate Reeves has declared a state of emergency for Mississippi. The Wilkinson County Board of Supervisors have also declared a local emergency for the county. Since the Governor has not mandated County Governments to close, County Offices will continue to operate during this crisis.

Patrons are encouraged to do business by mail, phone or online at www.wilkinson.co.ms.gov. If you appear in person, please enter through the Southeast Entrance of the Courthouse. If you require ADA assistance, please call (601) 888-6697, so you can receive assistance to enter through the Southwest Entrance.

Those who appear in person may encounter delays as the number of patrons allowed within any office may be limited or during periods when the offices are being regularly cleaned. We appreciate your cooperation during this critical time.
